

- Be vaccinated to return to normal ! -

ILLEGAL RESIDENTS ARE ENCOURAGED TO GET THEIR BOOSTER SHOT

Illegal residents **who** receive booster shot **in Korea by April 30, 2022** and voluntarily leave **Korea by October 31, 2022** will be granted fine exemption and suspension of entry restrictions.

※ *Your illegal immigration status will not be relayed to immigration authorities*

1. Do I need to receive primary vaccination and booster shots?

- You must get vaccinated for the sake of health and safety of yourself, your family and neighbors.

2. How can I get a booster shot?

- Primary vaccination: one Janssen shot / two Pfizer or Moderna shots
- Booster shot is required after two months of receiving Janssen primary vaccination.
- Booster shot is required after three months of completing Pfizer or Moderna primary vaccination.
- Registered foreign residents with a residence card can receive a booster shot by reserving a dose by visiting ncvr2.kdca.go.kr or paying a walk-in visit to a vaccination center.
- Unregistered foreign residents, including illegal residents, can receive a booster shot with a temporary code by visiting an authorized medical center or a public health center.

* Call 1339 or visit your local public health center to report suspected side effects.
